

Behavioral analysis training

Activity No. 17

On 28 February 2022, the first training in behavioral analysis took place within the project "International Police Cooperation and the Fight against Crime", which is supported through the EEA and Norway Grants 2014-2021.

The training was attended by 12 police officers from the Prague Air Marshals and the Prague-Ruzyně Inspectorate of the Foreign Police. Capt. Mgr. Edita Setek welcomed all participants and lecturers. Behavioral analysis training was opened by doc. PhDr. Barbora Vegrachtová, Ph.D., MBA and JUDr. Monika Weber.

The training consisted of three days and continued for one and a half days of portrait identification training. The second part was started by Capt. Mgr. Josef Duda from the Institute of Criminalistics in Prague. At the end of the training, the participants completed questionnaires to check the acquired knowledge. The whole event can be assessed as very beneficial for the work of police officers.
